Dear Houston-Area Families,

My next trip to Houston will be the first part of October 2011. I can see students on October 6, 7, 8, and 10. This is a slight deviation from the usual, but I will be in Dallas for a wedding and decided this makes the most sense.

I am requesting that everyone pre-register and request your preferred day and time.

Thank you for your cooperation. I look forward to seeing you in October.

Sincerely,

A handwritten signature in cursive script that reads 'Joanne T. Mothes'.
